Attach each amended document to this form. If there is a box on the form to indicate that the form is amended or supplemental, check the box. Otherwise, write the word "Amended" or "Supplemental" at the top of the form.

If you are amending Schedules A/B, D, E/F, I, or J, you must also file an Amended Summary of Schedules of Assets and Liabilities in order to ensure that the totals are amended for statistical purposes. This form can be found on our website.

- To <u>add</u> creditors, write or type an "A" next to the creditors you are adding on any amended schedule you file. Additionally, (or, in the event that you are only amending the creditor matrix) attach a list of all creditors with their addresses in .txt format.
- To <u>correct</u> the names or addresses of creditors that appear on any schedule, use our Change of Address Form (EDC 2-085) instead of filing this form, any amended schedule or an amended master address list.
- To <u>delete</u> creditors, write or type a "D" next to the creditors you are deleting on any amended schedule you file. Do not submit a .txt file of creditors to be deleted. Only creditors who have not filed a proof of claim in the case will be deleted.

\*Federal Rule of Bankruptcy Procedure 1009 requires the debtor to give notice of an amendment. **Notice of the amendment will not be given by the Clerk's Office.** To comply with this requirement, the debtor's attorney or *Pro Se* debtor must give notice to the trustee and any party affected by the amendment by serving the amendment and all previous court notices including, but not limited to, the notice of meeting of creditors, discharge of debtor, etc. A proof of service, indicating that service has been made, must be filed with the court.

Cashier's checks and money orders should be made payable to "Clerk, U.S. Bankruptcy Court." No personal checks accepted from non-attorneys. **No cash accepted.** Debit cards accepted in person at our three divisional offices.

### Official Form 106C

# Schedule C: The Property You Claim as Exempt

4/22

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for supplying correct information. Using the property you listed on *Schedule A/B: Property* (Official Form 106A/B) as your source, list the property that you claim as exempt. If more space is needed, fill out and attach to this page as many copies of *Part 2: Additional Page* as necessary. On the top of any additional pages, write your name and case number (if known).

For each item of property you claim as exempt, you must specify the amount of the exemption you claim. One way of doing so is to state a specific dollar amount as exempt. Alternatively, you may claim the full fair market value of the property being exempted up to the amount of any applicable statutory limit. Some exemptions—such as those for health aids, rights to receive certain benefits, and tax-exempt retirement funds—may be unlimited in dollar amount. However, if you claim an exemption of 100% of fair market value under a law that limits the exemption to a particular dollar amount and the value of the property is determined to exceed that amount, your exemption would be limited to the applicable statutory amount.
